

AGENDA

FFF-Seminar: Discover the Future of Field-Flow Fractionation.

Thursday, June 20th, 2024 • Waters, Berchem, BE

09:30	Registration, Tea and Coffee
10:00	Welcome address
10:15	Foundations of Field Flow Fractionation: Exploring Theory and Practice Wyatt Presentation
10:45	Unlocking Insights: FFF-MALS Applications in Pharmaceuticals and Polymers Wyatt Presentation
11:15	Best of both worlds: Waters Arc HPLC and Premier integration for FFF and SEC-MALS Wyatt Presentation
11:45	Guest speaker t.b.c.
12:15	Lunch break
13:15	In-Lab Workshop: Implementing Experiments with Waters FFF-MALS
14:15	In-Lab Workshop: Tips and tricks for SEC- and FFF-MALS
15:00	Setting Up Drug Delivery Application for FFF-MALS Lipid Nanoparticles and Viral Vectors
15:30	End of event
